TFT International Preschool

Giving back

An update from the Mercury Holidays TFT Preschool

Since 2015, the Mercury Holidays TFT Preschool in Sri Lanka has provided affordable education to working parents from poor rural areas. Supporting up to 84 children, the preschool delivers vital early learning education to the children and families it helps. With the pandemic forcing the temporary closure of the school the teaching was changed to a home school syllabus supported by the teachers and parents of the children.

To learn more and show your support please visit

theirfuturetoday.com

“During the pandemic, education in Sri Lanka has been massively disrupted and we are extremely proud of all the hard work and commitment provided by the teachers, staff and parents who have continued to offer support to the children through home-schooling. Thankfully, the school has now reopened its doors to ever increasing numbers of students. The attached photo is of some of them on their first day back.”

Malta and Gozo

Warm and welcoming with a rich culture, fantastic sun-kissed beaches, incredible architecture, and an impressive history, the Maltese islands have established themselves as firm favourites for holidaymakers year round. Whether you fancy enjoying the bustling atmosphere of thriving Silema, the peace and quiet of Bugibba and Qawra, walking the traditional streets of Valletta or unwinding by the crystal-clear waters of Mellieha, you can find your ideal holiday with us.

Average high temperature:

St Paul's Bay, Bugibba, and Qawra

The twin resorts of St Paul's Bay and Bugibba have become increasingly popular in recent years, along with the quieter, more exclusive area of Qawra. Bugibba is a thriving resort with a wide selection of restaurants, bars and nightspots. The town of St Paul's Bay is quieter than Bugibba and the old town retains a traditional Maltese charm. Qawra is slightly more laid back, with a narrow shingle beach and a selection of shops, bars and restaurants.

Valletta

A fortified city, a previous Capital of Culture and UNESCO World Heritage Site, Malta's capital, Valletta offers a breath-taking skyline and architecture peppered with a wealth of historic and cultural attractions.

Mellieha, Marfa, and the North-west Coast

Some of Malta's best sandy beaches are located in the north-west, with Mellieha Bay probably the finest of them all. At the extreme north-west of Malta is Marfa Ridge, which overlooks Ramla and Paradise Bays.

Sliema and St Julian's

Together this trio of resorts make up Malta's biggest and most varied entertainment centre. Sliema has developed into a fashionable resort and offers a stunning promenade. St Julian's lies north of Sliema and blends its fishing village charm with a bustling tourist centre.

Gozo

Malta's smaller sister island of Gozo enjoys a more pastoral character. The coastline is populated by small fishing villages with brightly painted boats.

Malta and Gozo

1 Admire the Grand Harbour, Valletta

Valletta, Malta

Ancient fort St Elmo and the towering bastions of Valletta's fortified city walls guard the entrance to Malta's Grand Harbour, one of the world's deepest seaports. A harbour cruise is probably the best way to take in the unparalleled beauty of Valletta's skyline and the harbour's rich history.

2 Relax at the Blue Lagoon, Comino

Comino

One of Malta's most popular tourist destinations, the blue lagoon can get very busy, especially in peak season. However, choose your time to visit wisely, and enjoy the serene emerald waters and protected coves that make this beauty spot so popular.

3 Explore St Paul's Cathedral

Mdina, Malta

All roads in the tiny walled city of Mdina lead to the magnificent baroque Cathedral of St Paul. Inside, kaleidoscopic frescoes depicting the life of the saint cover the arched ceilings whilst inlaid tombstones and colourful commemorative marble slabs adorn the floor.

4 Discover the Ġgantija Temples

Gozo

Dating from 3600-3200 BC, the megalithic Ġgantija Temples command soaring views over the Southern parts of Gozo and are recognised as the world's oldest free-standing structures. According to Gozitan legend, the awe-inspiring limestone monoliths that form the temple walls were put there by giants, in Maltese 'ġganti', and so the name.

5 Marfa Ridge country walk

North-west Coast, Malta

Starting at Mellieha bay, Marfa Ridge Hike takes you along farmlands, secluded coves, sandy beaches, and cliffs. You'll pass the iconic turrets of the Red Tower and can also visit the solitary Immaculate Conception chapel perched upon the cliffs overlooking the sea. The walk is 11km long and should take around 4.5 hours.

6 Popeye Village, Anchor Bay

North-west Coast, Malta

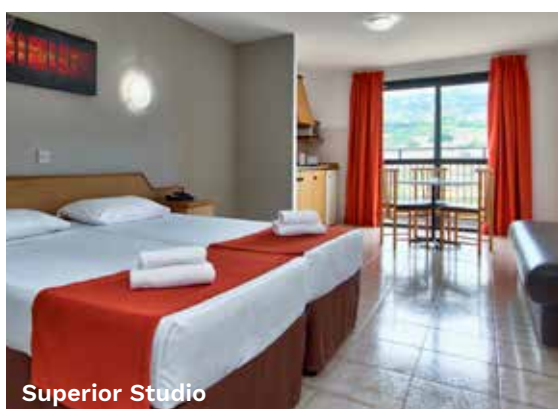

The village was originally built as the film set for Disney's 1980 musical feature film Popeye, starring Robin Williams. The set has now become an open-air museum and a popular tourist attraction, where visitors can enjoy performances, boat trips around the bay, and explore some of the houses, with various items and props from the film still on display.

Paphos

Once the capital of Cyprus, this small harbour town offers visitors an area of landscapes, glorious beaches, historic treasures and untouched villages. The port area is dominated by a medieval fort and nearby are the remains of Roman villas and the 'tomb of the kings'. Charming pavement cafés, restaurants and bars line the attractive harbour.

Limassol

Limassol is the island's up and coming area, famed for its wine production. Hotels, restaurants and nightspots abound along the beach area to the east of the port.

Coral Bay

This popular resort located north of Paphos has, over recent years, become one of the leading resorts in Cyprus. It is well situated between vineyards to the north and banana plantations in nearby Peyia, but it's the beach and coastline that brings the people to Coral Bay.

Larnaca

With its palm-lined promenade, Larnaca has a cosmopolitan feel to it. Home to the island's main airport, it offers many visitors their first sight of Cyprus. A bustling town with good shopping and places to eat on its impressive seafront.

Kakopetria village, Troodos Mountains

Ayia Napa

This former sleepy fishing village has some of the best beaches in Cyprus. It has become a magnet for tourists and is popular for scuba diving and snorkelling, as well as its array of bars and restaurants.

Protaras

Protaras has recently grown into a small resort which has become increasingly popular with visitors due to its crystal clear waters. Tavernas and restaurants have sprung up discreetly around its dazzling white sand beaches.

Cyprus

1 See the painted churches of the Troodos Mountains

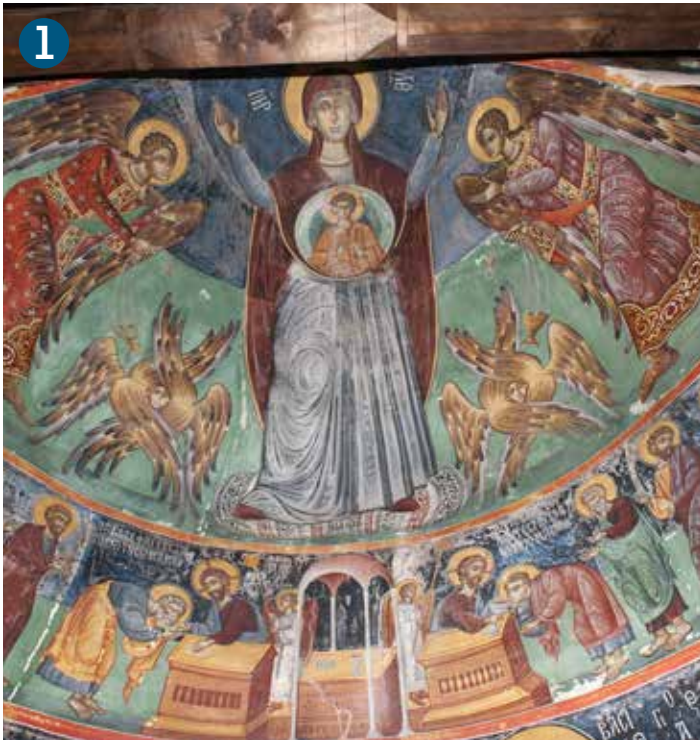

Troodos

A UNESCO world heritage site, this complex of ten Byzantine churches and monasteries are richly decorated with painted murals depicting Greek orthodox iconography. The unique architecture of these churches is almost certainly of indigenous origin and only found in the Troodos Mountains.

2 Enjoy delicious Meze

Cyprus

Meze – meaning ‘small dishes’ – is not only a speciality of Greek-Cypriot cuisine but traditionally a social event where food is shared around the table between family and friends. Expect selections of dips such as Tzatziki, Tahini and Taramosalata as well freshly fried fish, grilled skewered lamb and Moussaka.

3 Relax in Coral Bay

Paphos

Nestled among banana plantations and vineyards and backed by limestone cliffs, the turquoise waters of Coral Bay makes this our favourite beach around Paphos. The traditional village of Pegeia is close by, packed with funky little shops, roadside stalls and tavernas serving up locally-caught fish mezze.

4 Marvel at Lemesos Castle

Limassol

This medieval castle, built over the remnants of earlier Byzantine and Earl Christian edifices, sits in the heart of Limassol's picturesque old town. Richard the Lionheart and Berengaria of Navarre are said to have married in the chapel of the original castle in 1191.

5 Discover the House of Dionysos

Paphos

Dating from the second century AD, the mosaic floor tiles of this Roman villa have been preserved in pristine condition and depict hunting scenes and stories from Greek Mythology. At the entrance spot the pebble mosaic of the mythical sea-monster Scylla from an even earlier villa dating back to the third century BC.

6 Explore Larnaca Salt Lake

Larnaca

A wetlands network of four lakes, Larnaca Salt Lake typically welcomes as many as 15,000 Flamingos to its shores as they migrate from colder climates. Other water fowl such as Ducks, waders and Seagulls also frequent the lake. The Flamingos rest here through Winter and leave in March.

Marrakech

One of the largest cities in Morocco, Marrakech is divided into two distinct areas. The old town medina is made up of intertwining passageways and vast squares and is filled with museums, architectural treasures and markets. At the city's heart is Jemaa el Fna, a large square in the centre of the city overlooked by the beautiful Koutoubia Mosque. In contrast, the French colonial Ville Nouvelle plays host to contemporary restaurants and bars.

Due to space constraints the following Booking Conditions are an edited summary of our full Booking Conditions which can be found online at www.mercuryholidays.co.uk or on request from us. Our full Booking Conditions may be amended and/or supplemented by any 'Covid Promise' or similar document which may be found on our website at the time together with our privacy policy, the 'For you to know' and 'Holiday Insurance' sections form the basis of your contract with Sunspot Tours Ltd trading as Mercury Holidays. Please read them carefully. By asking us to confirm your booking we are entitled to assume you have read and agree to them. Mercury Holidays respects your privacy and is committed to protecting your personal data. Our privacy notice will inform you as to how we look after your personal data when you visit our website (regardless of where you visit it from) or when you otherwise provide personal data to us via other means (such as over the telephone) and tell you about your privacy rights and how the law protects you. You must therefore ensure you check the price and all other details of your chosen arrangements with us at the time of booking.**

Services provided by our parties
We will not accept responsibility for services or facilities which do not form part of our agreement with you, i.e. where they are not detailed on your booking confirmation or where they are not advertised in our brochure or on our website. For example, we are not responsible for any pre-departure car parking, hotel, taxis, any other personal travel arrangements or meals/lounge facilities except where they are specifically mentioned in our brochure or on your contracted arrangements with us (in which case they will be detailed on your booking confirmation). In resort we are not responsible for any excursion, service or facility which your hotel or any other supplier agrees to provide for you while you are away. All queries and claims in relation to such services should be directed to the provider of that service.

1. Booking and Payments

Subject to availability, the holidays in this brochure can be booked by telephone or via our website. The first named person making the booking must be over 18 and resident in the United Kingdom and where placing an order for services with certain conditions of sale apply to the party or parties who are booking. You must be over 18 and resident in the UK. The first named person making the booking agrees on behalf of all persons detailed on the booking that (a) he/she consents to our use of personal data in accordance with our Privacy Statement and is authorised on behalf of all persons named on the booking to disclose their personal details to us, including where applicable special categories of data (such as information on health conditions or disabilities and dietary requirements) (please see our website); (b) guarantees that they have authority to accept and does accept on behalf of all persons named on the booking, these booking conditions and agrees to be bound by them including the financial responsibility for payment of the booking. The person making the booking guarantees payment to us of the total cost of the holiday booked. A deposit from £250pp, (or full payment if booking within ten weeks of departure) is payable at the time of booking. Please note the deposit may be increased depending on the airline and/or country you are travelling to. You will be advised of the amount of the deposit payable at the time of booking, however those who have made bookings on the website may be contacted up to 72 hours after the booking has been made and advised of any increases. The balance of the cost of your arrangements (including any applicable surcharge) is due by the balance due date notified to you. This will normally be 30 days before departure. If you do not pay the balance by the balance due date, your confirmation, if the deposit or balance is not received by us in full by the applicable due date, we reserve the right to treat the booking as cancelled by you in which case we shall retain your deposit. We do not send reminders of monies owing. Your booking is confirmed and a binding contract between us and you comes into existence when we have received payment of the deposit or the full cost of your booking (where applicable) and we issue you with a booking confirmation confirming the details of your booking (which will be sent to you or your travel agent). If your confirmed arrangements include a flight, we (or if you booked via an authorised agent of ours, that agent) will issue you with an ATOL Certificate in addition to the booking confirmation. Your booking confirmation and ATOL Certificate will be issued if any information which appears on the booking confirmation or ATOL certificate or any other document is incorrect or incomplete so that the error can be investigated. It may harm your rights if we are not notified of any inaccuracies in any document within ten days of our sending it out (five days for tickets). We will do our best to rectify any mistake or omission notified to us within the time limits specified above if the error was our fault, but you must meet any costs involved in our doing so if the error was as a result of your fault. If we are notified of inaccuracies or errors more than 10 days after you have received your confirmation, any costs to amend the booking will be your responsibility. We reserve the right to return your deposit and decline to issue a booking confirmation at our absolute discretion. Any money paid to an authorised agent of ours in respect of a booking covered by our ATOL is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us so long as we do not fail financially. If we do fail financially, any money held at that time by the agent or subsequently accepted from the consumer by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

Credit and Debit Cards. You must make payment by debit or credit card. Please note we cannot take AMEX cards.

2. Our price policy

The prices shown in this brochure are per person in £'s sterling. Our brochure prices are accurate at the time of publication, but you should only use them as a guide. The prices we give are the best value available at the time of pricing and generally are selected from dates outside of the high season. The price you pay will depend on when you are travelling and prices may go up and down throughout the season. The brochure price is based on the standard occupancy for the room type included in the package so the price will change if the room is occupied by a different number of guests. Please note some special offers cannot be combined. The final price of your holiday will be confirmed at time of booking. **We reserve the right to amend the price of un sold holidays at any time and correct errors in the prices of confirmed holidays.** Please consider that the prices in this brochure are based on the lowest airfares available at the time of going to print. Please see our full Booking Conditions for further details.

3. If you change your booking and transfers of booking

Requests to change your booking after confirmation (e.g transferring to a different hotel, departure date or airport) must be made in writing as soon as possible by the first named person on the booking. Whilst we will do our best to assist we are not bound to comply with such requests. If additional charges are added to your booking they are added on the understanding that they have also accepted these booking conditions and you or they will pay any additional costs. Where we can meet a request for a change to your holiday we will issue a revised holiday invoice to confirm this. To avoid incurring booking service charges at a later date, please remember to book all additional items when you confirm your holiday. All amendments/alterations more than 10 weeks before the original departure will incur the following charges: (A) An amendment fee from £30 per person for all destinations will be payable together with any costs incurred by ourselves and any costs or charges incurred or paid by any of our suppliers. If you amend your booking in any way (subject to (B) below) less than ten weeks before your original departure date we will advise you of the cost of making such amendment. Please note that it may be the case that some costs payable in respect of the booking are non-refundable and, where you do not wish to proceed with the original booking (or with the amended booking) we will treat this as a cancellation by you and the cancellation charges shown in clause 6 below will apply. Where we are unable to assist you and you do not wish to proceed with the original booking, we will treat this as a cancellation by you and a fee may be payable in accordance with clause 6. Any new arrangements you request will be treated as an entirely new booking.

(B) Transfer of Booking:

If you or any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

- that person is introduced by you and satisfies all the conditions applicable to the holiday;
 - you are notified not less than 7 days before departure;
 - you pay any outstanding balance payment, an amendment fee of £30 per person transferring, as well as any additional fees, charges and costs payable in respect of the transfer; and
 - the transferee agrees to these booking conditions and all other terms of the contract between us.
- You and the transferee remain jointly and severally liable for payment of all sums. If you are unable to find a replacement, cancellation charges as set out in clause 6 will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services. **IMPORTANT NOTE. Certain arrangements (e.g. flights) may not be amended or transferred after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements as a change made may mean you have to pay for the cancelled arrangements and have to purchase new ones at full cost.**

4. Cancellation by you prior to departure

Should you or any member of your party need to cancel your booking or any part of it, once it has been confirmed, you must notify us as soon as possible. You can notify us by phone, email or in writing. Your notice of cancellation will only take effect when it is received by us and will be effective from the date on which we receive it. The charges which we will impose are set out below, and their level will depend on when we receive notification of cancellation. Any amendment fees, insurance premiums, airport taxes or higher level deposit paid cannot be refunded and are payable in full. Since we incur costs in cancelling your arrangements, you will have to pay the cancellation charges as follows:

Period before departure within which notification of cancellation is received by us:	Cancellation charge per person
More than 69 days	Deposit only (including both initial deposits and, where applicable, and further deposits)*
69 - 43 days	70%*
42 - 29 days	80%*
28 - 15 days	90%*
14 days or less	100%*

The cancellation charges above have been calculated as a genuine pre-estimate of the losses we would incur in the event you cancelled your holiday within the stipulated time period, taking into account the charges we will incur from our suppliers (some of which will be up to 100%) and the expected cost savings and income from alternative deployment of the travel services (if possible) calculated as an average charge over a period of time. *Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur cancellation charges from our suppliers (up to 100% of booking value) in addition to the charge above. Please note that any services that are non-refundable and any services that are non-refundable as a result of the destination or our terms and conditions, and any that are non-refundable. Therefore in the event of cancellation, it is possible that no refund will be given to you on that part of your booking. Note: cancellation charges above are shown as a percentage of holiday cost (excluding amendment fees). Please ensure that you are in receipt of written confirmation from us of your cancellation. Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned. We will deduct the cancellation charge(s) from any monies you have already paid to us. **Important note:** Airport taxes are not refundable if your holiday is cancelled as a result of a serious illness at the destination or time of booking, e.g 50% of the cost of your holiday then this is a non-refundable deposit, because it relates to a non-refundable element of the booking as per our supplier's terms. **For flight inclusive bookings, you must in addition pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight.** Please see our full Booking Conditions for further information on the cancellation charges that apply to 'Holiday Extras' products.

5. Cancellation by you due to unavoidable and Extraordinary Circumstances

You have the right to cancel your booking before departure by paying a cancellation charge in the event of 'unavoidable and extraordinary circumstances' occurring at your holiday destination or its immediate vicinity and significantly affecting the performance of the holiday or significantly affecting the transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any additional compensation. Please note that your right to cancel in these circumstances will only apply where the Foreign and Commonwealth Development Office advises against travel to your destination or its immediate vicinity. For the purposes of this clause, 'unavoidable and extraordinary circumstances' means warfare, acts of terrorism, civil strife, nuclear or biological disaster, closure of airports; fire, flood; drought; re-scheduling or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination. This clause 6 outlines the rights you have if you wish to cancel your booking. Please note that there is no automatic statutory right of cancellation under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 (SI 2013/3134).

6. If we change or cancel your holiday

Occasionally, we have to make changes to and correct errors in the brochure and other details both before and after bookings have been confirmed, and cancel confirmed bookings (which for the avoidance of doubt expressly include any extension booked by you and which are part of the package and your confirmed booking), which we must reserve the right to do. Please see our full Booking Conditions for details of the options that may be offered to you if we make a change to your booking or cancel your booking. You will be notified of any such change to your booking and you will be payable where appropriate subject to applicable exclusions.

7. Our liability to you

We will accept responsibility for the arrangements we agree to provide or arrange for you as an 'organiser' under the Package Travel and Linked Travel Arrangements Regulations 2018, as amended as set out below and as such, we are responsible for the proper provision of all travel services included in your package, as set out in your confirmation invoice. Subject to these Booking Conditions, if we or our suppliers perform or arrange those services and we don't remedy or resolve your complaint within a reasonable period of time and this has affected the enjoyment of your holiday you may be entitled to an appropriate price reduction or compensation or both. You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. The level of any such price reduction or compensation will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these Booking Conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us. (2) We will not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description if it results from: (a) the act(s) and/or omission(s) of the person(s) affected; or (b) the act(s) and/or omission(s) of a third party unconnected with the provision of the services contracted for and which were unavoidable and extraordinary; or (c) Force Majeure (as defined in clause 8).

(3) We limit the amount of compensation we may have to pay you if we are found liable under this clause:

(a) **loss of and/or damage to any luggage or personal possessions and money:** The maximum amount we will have to pay you is £25 per person in total because you are required to have adequate insurance in place to cover any losses of this kind.

(b) **Claims not falling under (a) above and which don't involve injury, illness or death:** The maximum amount we will have to pay you is up to three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your holiday.

(c) Claims in respect of international travel by air, sea and rail, or any stay in a hotel

i) The extent of our liability will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel and other services). We will not be liable for any loss or damage to your property. Please note that we do not agree that the operating carrier or transport company's own 'Conditions of Carriage' will apply to you on that journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of Carriage'. You acknowledge that all of the terms and conditions contained in those 'Conditions of Carriage' form part of your contract with us, as well as with the transport company and that those 'Conditions of Carriage' shall be deemed to be included by reference into these Booking Conditions. ii) In any circumstances in which a carrier is liable to you by virtue of the provisions of a Convention for a period not exceeding three nights per person. Please note that the 3 night cap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors, nor to persons needing specific medical assistance, provided we have been notified of these particular needs in advance. For the purposes of this clause, 'unavoidable and extraordinary circumstances' mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

(4) It is a condition of our acceptance of liability under this clause that you notify any claim to ourselves and our supplier(s) strictly in accordance with the complaints procedure set out in these Booking Conditions.

(5) Where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to ourselves or our insurers any rights they may have to pursue or sue a third party and must provide ourselves and our insurers with all assistance we may reasonably require.

(6) **Peace of mind:** We will accept liability for any damage, loss or expense or other sum(s) of any description: (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you; or (b) relate to any business losses.

(7) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

(8) Where it is impossible for you to return to your departure point as per the agreed return date of your package, due to 'unavoidable and extraordinary circumstances', we shall provide you with any necessary accommodation (where possible of a comparable standard) for a period not exceeding three nights per person. Please note that the 3 night cap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors, nor to persons needing specific medical assistance, provided we have been notified of these particular needs in advance. For the purposes of this clause, 'unavoidable and extraordinary circumstances' mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

8. Force Majeure

Except where we otherwise expressly stated in these Booking Conditions, we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our contractual obligations is prevented or affected by 'unavoidable and extraordinary circumstances', meaning any event beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Examples include warfare and acts of terrorism (and threat thereof), civil strife, significant risks to human health such as the outbreak of serious disease at the travel destination (including the on-going effects of Covid-19) or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination or remain at the travel destination of a comparable standard) for a period not exceeding three nights per person. Please note that the 3 night cap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors, nor to persons needing specific medical assistance, provided we have been notified of these particular needs in advance. For the purposes of this clause, 'unavoidable and extraordinary circumstances' mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

9. If you have a complaint

Should you wish to complain about any aspect of your holiday, you must notify our local representative immediately and inform the relevant supplier (e.g. hotel). You should follow this up by writing to our Customer Relations Department within 28 days of your return from holiday, quoting your holiday reference number and detailing the circumstances of your complaint. To follow this simple procedure we will then have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort which may affect your rights under these Booking Conditions. We offer an Alternative Dispute Resolution service, through our ABTA membership, for dealing with any complaint that you may have. Please see our full Booking Conditions.

10. Holiday Sickness Claims

We take reports of sickness and illness very seriously and thoroughly investigate such claims. Due a recent influx of fraudulent holiday sickness claims we take a very stringent approach to ensuring the legitimacy of sickness claims. If you are unable to travel for any reason, you are committing a criminal offence which may result in a criminal record and/or fine. In addition to committing an offence in Ireland, it is also illegal to pursue a fraudulent claim in many countries overseas. As such, you may find that you are faced with criminal charges in more than one jurisdiction. Should there be a reasonable belief that your claim is not genuine, it may be the case that the accommodation provider will commence legal proceedings against you. In which case, we reserve the right to assist the accommodation provider in said proceedings. It may also be the case that, should you be found to have made a false or exaggerated claim of sickness, we will forward our own concerns to the relevant authorities and may commence legal proceedings against you. Should you have legitimately suffered an illness as a result of your stay with one of our suppliers, we encourage you to follow the complaints procedure above so that we may assist you as soon as practicable.

11. ABTA

We are a Member of ABTA, membership number V0211. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's arbitration scheme (which is approved by the Chartered Trading Standards) for the resolution of disputes arising out of this contract. If we can't resolve your complaint, go to www.abta.com to follow the simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

12. Insolvency Protection

The Package Travel and Linked Travel Arrangements Regulations 2018, as amended require us to provide security for the monies that you pay for the package holidays booked from this brochure and for your repatriation in the event of our insolvency. We provide this security by way of a bond held by the Civil Aviation Authority of CAA, House, 45-59 Kingsway, London WC2B 6TE, claims@caa.co.uk under ATOL number 1631. When you buy an ATOL protected flight or other travel services, you will receive an ATOL Certificate from us which will confirm the details of the package holiday which you booked. This lists what is financially protected, where you can get in-form or what this means for you and who to contact if things go wrong. For further information, visit the ATOL website at www.atol.org.uk. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your ATOL Certificate. If you do not wish to use the ATOL holder, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL Scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL Scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any third party or debt you are entitled to or to cause a delay or diversion to transportation. We reserve the right to any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL Scheme. The price of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL Scheme. ATOL protection extends primarily to customers who book and pay in the United Kingdom. Please ask us to confirm what protection may apply to your booking. We provide ATOL protection for bookings made by you individually or as part of a group, as well as by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure from the hotel. If you fail to make payment, you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any

13. Website and Brochure Disclaimer

Information published on our website and as detailed in our brochure is published in good faith and is updated regularly. However, we cannot guarantee the completeness and accuracy of this information. We published our latest brochures in December 2021. Our prices and information in those brochures were accurate on that date but they may have changed since then. Please see our full Booking Conditions for further information.

14. Guest Behaviour

All guests are expected to conduct themselves in an orderly and acceptable manner and not to disrupt the enjoyment of others. If in our opinion or in the opinion of any hotel manager or any other person in authority, your behaviour or that of any member of your party is causing or is likely to cause distress, danger or annoyance to any of our other guests or third party or that you are attempting to cause a delay or diversion to transportation, we reserve the right to terminate your booking arrangements with us immediately. In the event of such termination our liability to you and/or your party will cease and you and/or your party will be required to leave your accommodation or other service immediately. We will have no further obligations to you and/or your party. No refunds for lost accommodation or any other arrangements will be made and we will not pay any expenses or costs incurred as a result of termination. You and/or your party may also be required to pay for loss and/or damage caused by your actions and we will hold you and your party jointly and severally liable for any such damage or losses. Any such damage or losses caused by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure from the hotel. If you fail to make payment, you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any

claim against you. We cannot be held responsible for the actions or behaviour of other guests or individuals who have no connection with your booking arrangements or with us. Guests must adhere to any hotel dress codes, i.e. some hotels do not permit swimwear or sportswear in their restaurants and their decision is at their discretion.

15. Special Requests and Medical Problems

If you wish to make a special request, you must advise us in writing at the time of booking e.g. diet, room location, a particular facility at a hotel etc. We cannot guarantee that requests will be met and failure to meet any special request will not be a breach of contract on our part unless the request has been specifically confirmed. We do not accept bookings that are conditional upon any special request being met. We are not a specialist disabled holiday company, but we will do our utmost to cater for any special requirements you may have. If you or any member of your party has any medical problem or disability which may affect your chosen holiday arrangements give us full details in writing before you make the booking so that we can try to advise you as to the suitability of your chosen arrangements. Please note: if special arrangements are made for an extra charge, we will not be held responsible for any transfers. We cannot be held responsible if you fail to tell us about special needs/requirements that will affect your holiday experience. Please see our full Booking Conditions.

16. Jurisdiction and applicable law

These Booking Conditions and any agreement to which they apply are governed in all respects by English law. We both agree that any dispute, claim or other matter which arises between us out of or in connection with your contract or booking will be dealt with by the Courts of England and Wales only. You may however, choose the law and jurisdiction of Scotland or Northern Ireland if you live in those places and if you wish to do so.

17. Cutting your holiday short

If you are forced to return home early, we cannot refund the cost of any travel arrangements you have not used. If you cut short your holiday and return home early in circumstances where you have no reasonable cause for complaint about the standard of accommodation and services provided, we will not offer you any refund for that part of your holiday not completed, or be liable for any associated costs you may incur. Depending on the circumstances, your travel insurance may offer cover for curtailment and we suggest that any claim is made directly with them.

18. Locally Booked Excursions/Activities

Whilst on your holiday you may be offered the opportunity to buy optional excursions and activities. These are provided by independent local companies, which are neither owned nor controlled by Mercury Holidays, and for whom Mercury Holidays acts only as an agent. If you decide to buy an excursion or activity, your contract will be made with the local company which provides it and it will not form part of your package with Mercury Holidays. The contract may be subject to the excursion/activity provider's terms and conditions, some of which may exclude or limit its liability to you, and will be governed by local law and jurisdiction. Mercury Holidays accepts no liability for any breach of contract or negligent act or omission of any excursion/activity provider. See our full Booking Conditions.

19. Entry, passport, visa and health requirements

We can give you general information about entry, passport, visa and health requirements for the holiday you book. However it is your responsibility to check and fulfil the entry, passport, visa, health and immigration requirements applicable to your itinerary. Requirements may change and you must check the up to date position in good time before departure. It is your responsibility to ensure that you are in possession of all necessary travel and health documents before departure. Most countries now require passports to be valid for at least 6 months after your return date. If you do not have a passport in its final year, you should check with the Embassy of the country you are visiting. Please contact the passport office for full details on 0300 222 0000 or visit <https://www.gov.uk/browse/citizenship/passports>. Special conditions apply for travel to the USA, you will need to obtain an ESTA visa for entry into the USA. All UK passport holders must have individual Bio-metric ePassports. Important note: if you do not have a Bio-metric ePassport, you will be refused entry into the USA. Please check <https://uk.usembassy.gov>. For European holidays you should obtain a completed and issued form UK EHIC or UK GHIC (as applicable) prior to departure. Up to date travel advice can be obtained from the Foreign and Commonwealth Development Office, visit www.fcdo.gov.uk. Non British passport holders, including other EU nationals, should obtain up to date advice on entry, passport and visa requirements from the Embassy, High Commission or Consulate of your destination or country(ies) through which you are travelling. 20. Flights

If you or any member of your party misses your flight or other transport arrangement, it is cancelled or you are subject to a delay or cancellation of the flight or other transport arrangement, you must contact the supplier concerned immediately who may be able to assist with the provision of refreshments, depending on availability of suitable facilities at the airport. If your flight is delayed due to reasons of force majeure we regret that neither we nor the airline will be liable to provide meals, refreshments or overnight accommodation. You should ensure that your own travel insurance policy provides a reasonable level of cover for such eventualities. Under retained EU Law (EC261/2004), you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. You should approach the airline concerned not Mercury Holidays. As these regulations are in their final year, you should check with the Embassy of the country you are visiting of the airline and will not automatically entitle you to a refund of your holiday price from us. A delay or cancellation to your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We will not offer compensation for inconvenience or loss of holiday time caused by flight delays, flight diversions or curtailment regardless of how caused. Similarly it is not possible to obtain refunds for any unused accommodation or facilities or for losses, costs and expenses of other travel/ accommodation arrangements of the package remaining if flight changes, delays or diversions which should be claimed under your travel insurance policy. Please note that flight details given at time of booking may be subject to change. We aim to make this as accurate as possible from the start. We will monitor all changes which affect your departure by a considerable time or significantly affects your holiday. Final timings will be sent approximately 10 days before you travel.

22. Best Price Guarantee

If, within 24 hours of booking your holiday with us, you can provide us with documented proof of the exact same holiday being available for less with another ABTA bonded and ATOL licensed holiday company, we guarantee to match that price. We will refund the difference to you, and if you can make it then, we will cancel your booking and give you a full refund of the cost of the holiday you have booked with us. To claim email us at moneyback@mercuryholidays.com within 24 hours of making a booking enclosing evidence of the lower price, for example a screen shot. We reserve the right to refuse any claim where we are unable to verify the claim to our satisfaction, in accordance with the above points. Please see our full Booking Conditions.

23. Hotel and Resort Classification

All the hotels in this brochure have been chosen and inspected by one of the directors or senior members of staff of this company and star ratings for all hotels have been allocated by us for your guidance and do not necessarily reflect the official classification. Our classification is higher than the official classification. Our classifications are as follows: Two Star - Standard medium class; Two Star Plus - Standard plus medium class; Three Star - Medium class; Three Star plus - Superior medium class; Four Star - Standard first class; Four Star Plus - Standard plus first class; Five Star - Superior first class. Additional properties will be available on the website which have not been inspected by a member of our staff we are therefore reliant on information provided to us in good faith. Please note that star ratings are provided for guidance only and are liable to change without notice. Our chosen accommodation star ratings are reduced after you have made your booking, this would not constitute a significant change and we would not have any liability to you for this.

24. Shuttle Transfers

Your shuttle will wait for a maximum of one hour after your flights scheduled arrival time. Multiple drop offs will be made en route to your hotel. Your return transfer time will be advised 24 hours prior to departure. Shuttles do not depart at scheduled times, they run on demand. In the unlikely event of a missed shuttle transfer representatives locally will assist you in making alternative arrangements (payable locally). It may not always be possible for shuttles to drop you off/pick you up at the hotels reception due to the size of the vehicles. The drop off/pick up point may be outside of the hotel grounds, but will be in close proximity.

25. Online Check In

Please note if you are flying with easyJet or Jet2 you are required to check in online which we will do for you on your behalf at a fee. Upon booking your holiday if you have opted for us to check you in online, you will receive a confirmation. Advance Passenger Information forms along with your invoice. **Please note it is extremely important that you complete these forms and return them to Mercury Holidays as soon as possible in order for us to complete your online check-in, failure to do so will result in you being charged at the airport or refused boarding. Once we have received your forms, boarding passes will be sent approximately ten days prior to departure. Mercury Holidays will not be held responsible for any charges or other losses incurred if the forms are not received by the deadline date. If you are flying with Ryanair you MUST check in online and print your own boarding passes prior to departure, please be advised that we are unable to do this on your behalf. You agree that we cannot be held responsible if you do not follow the given instructions of the relevant Suppliers or Airlines.

26. All-Inclusive

Guests on an All-Inclusive package normally take all meals at one specific restaurant. Other advertised restaurants may be at a supplement unless otherwise stated. The drinks that you make up your booking to assist you with this, we have arranged travel insurance in partnership with Holiday Extras which are authorised and regulated by the Financial Services Authority to specifically meet your needs on your holiday. Should you decide not to purchase your insurance policy from Holiday Extras, you must provide us with details of your alternative insurance. The cost of this will be added to your invoice.

27. Swimming pools

Outdoor swimming pools will be closed November-April in many of our European countries and at certain times of the year in many long haul destinations. Swimming pool closures are at the hotels discretion and beyond our control.

28. Free Room Upgrades

Free room upgrades are available at a selection of hotels and are subject to availability but are not applicable to

single travellers.

29. Single supplements

Single travellers may avoid paying a single supplement in certain allocated rooms at selected hotels. These rooms are strictly available for single travellers. Once the available rooms without single supplement are full, a single supplement will be applicable.

30. Accommodation

All our prices (including flight and hotel supplements) are per person and are based on the shared occupancy of double occupancy rooms. Rooms may have twin or double beds regardless of the name of your booking confirmation. If you require a specific bed configuration then please ask for this in the special requests box before you confirm your booking. All special requests are subject to availability. (Alternative accommodation supplements are given with the individual holiday details and all accommodation supplements are per person daily). As far as possible we will use the hotels stated in the brochure. Occasionally it may be necessary to use an alternative hotel of equal standard and you will be advised at the earliest opportunity (see clause 5 for further information). While a supplement is normally charged for single rooms in European hotels these are often inferior to double or twin-bedded rooms. Three-bedded rooms are available in some rooms with an extra bed. The standard international practice is to let rooms from midday to midday. However times do vary. Check-in times are usually between 2pm and 3pm, check out times between 11am and 12 noon on the day of departure. Therefore, if you check-in immediately after a night flight this would normally count as one night's accommodation. Similarly if your return flight is at night you will normally be required to vacate your rooms at 12 noon prior to leaving for the airport. Day rooms are subject to availability/ cost and should be arranged locally with the accommodation manager. On holidays including Half Board meal arrangements, dinners will normally be based on a table set menu unless otherwise stated. As far as possible we will use the hotels stated in the brochure. One of the main attractions of holidaying abroad is to see something of a way of life that is different to what we are used to at home. You should not therefore expect things to be the same as in Britain - invariably this is not so. For example star ratings should not be compared to the equivalent star ratings in the UK, they will be based on guidelines by local authorities (see clause 22 of these conditions). Where it is stated that there is satellite TV in your room, please do not expect to receive more than 1 or 2 English channels. In other countries - some of which have only recently become accustomed to an influx of foreign tourists - the locals tend to be more relaxed in their approach to life, and this usually means taking their time to do things because of the rapid development of some resorts where British style facilities can be bought if you prefer. However, many resorts do have restaurants and snack bars where British style facilities can be bought if you prefer. Certain hotels may request a credit card/deposit at check in to cover any additional extras. Please be advised some of the facilities listed in the hotel description may be at an additional fee and some facilities may be closed at the hotels discretion or due to local restrictions, you will be advised of this in resort by the hotel. Please note alcoholic drinks are limited in Kerala.

31. Religious days

Please note that, in keeping with local traditions and customs, some of our hotels will not serve alcohol on or during certain religious festivals and holidays, these include Poya days, Sinhala, Tamil New year days, Hindu religious days and other religious days.

32. Tourist tax

Many destinations throughout this brochure and on our website have compulsory tourist taxes. These charges are implemented by the countries themselves and are beyond our control. Please refer to the destination pages for further information.

33. Discount and Voucher codes

Loyalty and introduction discounts are not combinable with any other discount codes or any other special offers. Discounts are applicable for adults 12 years & over and only one is valid per person, cannot be reused and are for new bookings only. The voucher code has no cash value and the development of some resorts where British style facilities can be bought if you prefer. Flight only bookings. Mercury Holidays reserve the right to vary the voucher code conditions of use or to withdraw the voucher at any time. Further conditions will be printed on the voucher in question.

34. John Lewis Loyalty Scheme

The John Lewis Loyalty Scheme applies when a recommended friend books either a new beach holiday or escorted tour following a recommendation from an existing Mercury Holidays customer. The recommended friend must be new to Mercury Holidays and not have travelled on a booked holiday with Mercury Holidays before. The reward will be given as a John Lewis gift card, valued at £25 if a beach holiday is booked and £100 if an escorted tour is booked. No refunds or cash alternatives will be offered. The reward will be issued at the time of booking or within 24-hours of booking if booked through our website. For the discount to be applicable, the recommended friend will need to state the recommender's booking reference when claiming. Only one gift card per recommended friend can be applied.

35. System Errors

In the event of a costing error being given either by our reservations/internet system or appearing on the confirmation invoice, the price costings as appears in the brochure or relevant late availability offer will prevail. Please note that any error is upon a mistake, such as a wrong costing is not valid or binding.

36. Escorted Tours

Where you book an Escorted Tour with us, the following terms apply in addition to our general Booking Conditions: Changes and Cancellations by Mercury Holidays if we have to cancel or make a significant change to your arrangements, we will give you the following choices: a) accepting the changed arrangements as notified to you; b) purchasing another tour from us, of a similar or higher standard to that originally booked if available (at no extra cost); c) purchasing another tour from us, of a lower standard to that originally booked if available (with a refund in respect of any price difference); or d) cancelling your booking or accepting the cancellation & receiving a full & prompt refund of all monies paid to us. A significant change is a change made before departure which, on the basis of the information given to us by you at the time of making your booking, we can reasonably expect will have a major effect on your holiday. The following changes are examples of significant changes:

A reduction in the number of nights of your tour

A change of outward departure time or overall length of your arrangements of 12 or more hours.

A change from a day flight to night flight (providing time of departure is changed by more than 8 hours for short haul and 12 hours for long haul). A night flight which is changed to depart after or before midnight is not a change of date.

A change of UK departure airport, as long as that change is not from one London airport to another London airport. London airports are Heathrow, Gatwick, Stansted, Luton and London City. You must notify us of your choice within 7 days of our offer. If you fail to do so we will assume that you have chosen to accept the alternative booking arrangements.

If we make a significant change or cancellation less than 70 days before departure, we will also pay compensation as detailed in our Booking Conditions. Please note that the above options and/or compensation (including any reimbursement of independent travel arrangements) shall not be payable in the following circumstances:

where the change we make is a 'minor change';

in the event that we are forced to make a change or cancel as a result of Force Majeure (as defined in clause 8); • where we cancel as a result of your failure to make full payment on time; • where the change(s) or cancellation by us arises out of alterations to the confirmed booking requested by you;

we cancel your arrangements because the minimum number of participants to run the tour has not been reached. (We will tell you in advance to cancel for this reason not less than 28 days before departure).
